BEHIND THE KITCHEN DOOR

VIDEO STORYBOARD | How Safe Is Our Food?

Audience: general public and students • Format: Streamlit screen recording with English voice-over • Target duration: 3 min 45 sec

TIME	CHAPTER / SHOT	WHAT TO SHOW ON SCREEN	NARRATIVE PURPOSE
00:00–00:31	**1 · Context**	Open the “1 · Context” tab; show the hook, date range and source.	Set up the question and the data source.
00:31–00:56	**2 · Overview**	Point to the three KPI cards, then open the rating distribution in chapter 2.	Show the national result and introduce the need to look deeper.
00:56–01:14	**3 · By activity**	Open “3 · Deep dives” → “By activity”; hover a bar, toggle the comparison metric.	Explain count versus rate.
01:14–01:40	**3 · By reason**	Open “By reason”; hover the complaint/report and scheduled inspection bars.	Use the key contrast and introduce inspection-selection bias.
01:40–02:00	**3 · By region**	Open “By region”; select Île-de-France in sidebar, briefly show KPI update.	Demonstrate filtering and sample-size caution.
02:00–02:16	**3 · Map**	Open “Map”; hover a point, show the geographic distribution.	Explain the purpose of the map.
02:16–02:41	**3 · Over time**	Reset filters; open “Over time” and show the volume and rate charts.	Discuss partial months and reporting effects.
02:41–03:08	**4 · Findings**	Open chapter 4; scroll through the findings and implications; do not filter.	Answer the central question cautiously.
03:08–03:45	**5 · Data & limits**	Open chapter 5; show validation checks and missingness table; finish on limitations.	Demonstrate trustworthiness and close the story.
